1. Kick
2. Snare
- 3/4. Toms/Cymbals – stereo mix

OR

- a 6 channel mix is available if preferred by sound tech.

**requires 4 more DI's**

1. Kick
2. Snare
- 3/4. Toms – stereo mix
- 5/6. Cymbals – stereo mix

5 Sends of foldback

*\*Drummer uses In Ear Monitors so will not require a drum fill or foldback wedge, but will only require a line level signal brought to near the drumkit. Drummer has own equipment to receive this signal.*
